

Nissan Forklift Part

Nissan Forklift Parts - Nissan Motor Co. Ltd prides itself on achieving total consumer happiness when enjoying one of their car, truck or forklift products. They are fully committed to delivering high value and meticulous quality standards to their clients. Incorporating a rich heritage combined with solid production principals, Nissan lift trucks offer a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Dedicated to providing customer support, the company has four independent production facilities that permit them to continually adapt to their consumers continually evolving needs by offering an array of modern ideas and concepts.

The Nissan Forklift North and South American center is located in Marengo, Illinois. A devoted team of 350 personnel is committed to the support, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to sustain environmental responsibility by using methods that diminish the worldwide impact of their goods and processes. These high standards remind consumers that Nissan operates under the quality seal that their customers require while being an environmentally responsive company.

Nissan is certain that they will be able to address any customer queries or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their locally endorsed dealers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
